Homestay

Living with a host family allows students to practice English on a daily basis and learn about American and Hawaiian culture. All placements are single room with half board (breakfast and dinner). Breakfast and is self served. All host families have been screened beforehand to ensure a safe and comfortable environment for students. The Accommodations Coordinator is available to assist with any questions or problems regarding cultural or language differences, miscommunications, etc.

Apartment/Condominium ★★☆☆☆☆ or ★★★☆☆

The apartment or condominium option allows students to live in Waikiki near shops, restaurants and night life. All units are fully furnished and have a kitchenette and bathroom in the unit. Laundry facilities are available on-site. Internet access can be available for an additional charge. This option may not be available for stays shorter than one month.

Student Residence ★☆☆☆☆

Students who would like to live in a fun and friendly environment should choose this option. The rooms are small and simple but this option offer an opportunity to meet students from other schools for a diverse experience. This option is not recommended for students who are looking for a quiet or luxurious place to stay.

Hotel

This is for short-term students or for students who would like the extra amenities that a hotel offers.
