International students who are new to Hawaii are encouraged to consider homestay as their living choice. Homestay gives students an opportunity to totally immerse themselves in an English speaking environment with an American family. Students learn about American culture and

experience local Hawaiian lifestyle while learning English. Most homestay families live within a 45-60 minute bus ride from school.

**Apartment/Hotel/Condo**

There are a number of hotel, condominium, and apartment options for students who wish to live in Waikiki or nearer to the school.

We recommend the following accommodations:

**Polynesian Plaza**

The Polynesian Plaza offers you the convenience of home while you're on vacation. The spacious studio apartments are comfortable and airy.....perfect for Hawaii's informal style of living. For your convenience,

all apartments are individually air conditioned and each kitchenette is completely equipped.
